Dear Valued Customer,

**RE: REACH – Candidate List of Substances of Very High Concern (SVHC)**

This letter is in response to your request for information on the following products:

- **High Impact Polystyrene (HIPS)**
- **General Purpose Polystyrene (GPPS)**

The above polystyrene resins are not intentionally manufactured or formulated with any of the substances on the REACH SVHC List. Therefore, our products meet the regulatory limit of  $\leq 0.1\%$  (w/w) SVHC substances imposed by Regulation (EC) No 1907/2006 (“the REACH Regulation”).

The most recent update to the SVHC list occurred on **January 28, 2026**. The current SVHC list is available at the following link:

<https://echa.europa.eu/substances-restricted-under-reach>

**Annex XIV of REACH “Authorization List”**

The above-mentioned products are not intentionally manufactured or formulated with any of the substances on the Annex XIV of REACH.

**Annex XVII of REACH**

The above-mentioned product(s) comply with the provisions of Annex XVII of the REACH regulation which contains restriction conditions on the manufacture, placing on the market, and use of certain substances, including mixtures and articles of these substances.

Please be advised that we do not analyze our products for these substances.

Please contact me should you require further information.

Regards,

Mari Uribe  
Specialist - Product Steward
